

# Aliquippa Bucktails

Will be hosting a **Stop the Bleed** class put on by Angel Trauma Solutions

Monday, June 6, 2022 @ 6pm (Class is approximately 2 hours)

A bleeding injury can happen anywhere. We've all seen it happen too often—on the news or in everyday life. Life-threatening bleeding can happen in people injured in serious accidents or disasters. Instead of being a witness, you can become an immediate responder because you know how to STOP THE BLEED®

The STOP THE BLEED® course teaches participants basic life-saving interventions, including bleeding control with a tourniquet and bleeding control with gauze packs or hemostatic agents.

At the completion of the course, participants will be able to:

- Explain the rationale for early use of a tourniquet for life-threatening extremity bleeding.
- Demonstrate the appropriate application of a tourniquet (C.A.T. Gen 7) to the arm.
- Describe the progressive strategy for controlling hemorrhage.
- Demonstrate the correct application of gauze or a topical hemostatic dressing (combat gauze).
- Demonstrate the correct application of a pressure dressing (Israeli/Emergency dressing)

\*Simulated blood used in STOP THE BLEED® courses and may stain clothing.

\*\*Participants that successfully complete this course will receive a certificate of completion from the American College of Surgeons.

To register for class contact: Rich Kerlin at [kerlinkanine@aol.com](mailto:kerlinkanine@aol.com) by June 1st

Class size is limited to 20 participants

Cost of class is \$35.00 Bucktails members \$40.00 non members
