

Pistol Range Rules

Firearms/Ammunition

- All ammunition must not exceed 1500 fps velocity.
- No center-fire rifles (16.1" barrel or longer) permitted.
- Pistol caliber carbines 9mm, 40 cal., 45 cal. are permitted.
- No shotguns, slug guns, or muzzleloaders permitted. We have other facilities available for these firearms.
- No shotgun shells, shotgun slugs, pistol shot shells, or steel core bullets permitted.
- No fully automatic weapons or bump shooting permitted.
- All rim fire rifles and pistols are permitted that meet above criteria.

Firearm Handling

- Loaded Firearms must be pointed down range or holstered at all times.
- The action of all firearms must be open when the shooter is not shooting.
- When multiple shooters are shooting, all shooters must shoot at the same yardage line.
- When going down range to check targets, all shooters must stop, unload their firearm, and open the action until all shooters have returned to the bench.
- Range hours are 24 hours per day, 7 days a week EXCEPT, there is to be nobody shooting in the range when someone is present upstairs unless it is during Club-sanctioned events.
- Only paper targets and balloons are suitable targets. All other targets are strictly prohibited.
- Targets may only be placed on the cardboard backing within the designated space. No targets may be placed below the "LOW LINE".

General Restrictions

- Any given person will not be allowed to use a firearm if he/she appears to be under the influence of a drug, alcohol, or medication that may impair their judgment.
- No alcoholic beverages/illegal drugs will be permitted in the shooting range.

- Offensive conduct is not permitted. Shooters should take our younger sportsman into consideration.
- Individuals under the age of 18 years must be under the direct supervision of a responsible adult at all times, and wear hearing/eye protection when at the firing line. Running, horseplay, climbing, etc. will not be tolerated.

Cleaning

- All spent shells, casings, and targets must be removed prior to leaving the range.
- Ensure that all lights and exhaust fans are OFF prior to leaving the range.
- Any present Officer or Director has the authority to eject anyone if the rules are not followed.
- Activities at this range are monitored via web cameras.

Range Guests

- Must sign in & complete all required paperwork prior to using the range. Required paperwork is located at the indoor pistol range podium.
- Sign out when finished using the range.

SAFETY IS EVERYONE'S BUSINESS!

Eye and Ear Protection is highly recommended

Aliquippa Bucktails is not responsible for any ricochet or personal harm

TREAT THE RANGE AS IF YOU OWNED IT..... YOU DO!
